## New girls on the block...

**ANNEMARIE & DARRYL GARDNER**  
Mittagong, NSW

**Zenarana would like to introduce**

**Zenarana Girls Just Wanahavefun  
and  
Zenarana Just One Kiss.**

**These two girls are from Aust. Ch.  
Kajushih Chocolate Kiss and Aust.  
Ch. Placky Just In Time.**

**They are both very showy girls -  
nothing worries them! Both have  
had a few 'Baby in Groups' and  
many placings in sweepstakes.**

**We look forward to showing them.**

### **"IF" (With apologies to the great Rudyard Kipling)**

If you can get to sleep when all your Shih Tzu,  
Are snoring fit to burst your eardrums through,  
If you can keep your socks when you have worn them,  
And wash them before they get a good hard chew,  
If you can eat your breakfast and not weaken,  
Despite the crying and the pleading looks,  
If you can find your slippers when you want them,  
And keep the laces in your walking boots,

If you can get away with cooking chicken,  
despite the mob of dogs around your feet,  
If you can serve it to your guests, un nibbled,  
And sit in blissful silence while they eat,  
If you can find a space upon the sofa,  
that isn't packed with furry lumps that snore,  
If you can walk across a room uninjured  
avoiding toys strewn all across the floor,

If you can somehow manage without screaming,  
The three a.m excursion to the yard,  
when you'd rather be in bed and dreaming,  
Than standing where the wind blows cold and hard,  
If you can stand the mess and stress of bath time,  
The wriggling, yelps, the suds and flailing feet,  
The endless brushing, combing, clipping, grooming,  
and trying to keep the paws and eyebrows neat,

If you can go for walks, in park and woodland,  
and put up with the leaves and twigs and rain,  
They gather like iron filings to a magnet  
Until they get inside the house again,  
If you can do all this and not go potty,  
and even think it might be sort of fun,  
You obviously love your little Shih Tzu,  
Lord help us, you, and me, and everyone !
